

OSBS DUNG BEETLE SAMPLING

Total number of beetles collected (all dates & spp pooled): 25011

Table 1: Total number of beetles collected by habitat

habitat	n
longleaf	10983
oak	14028

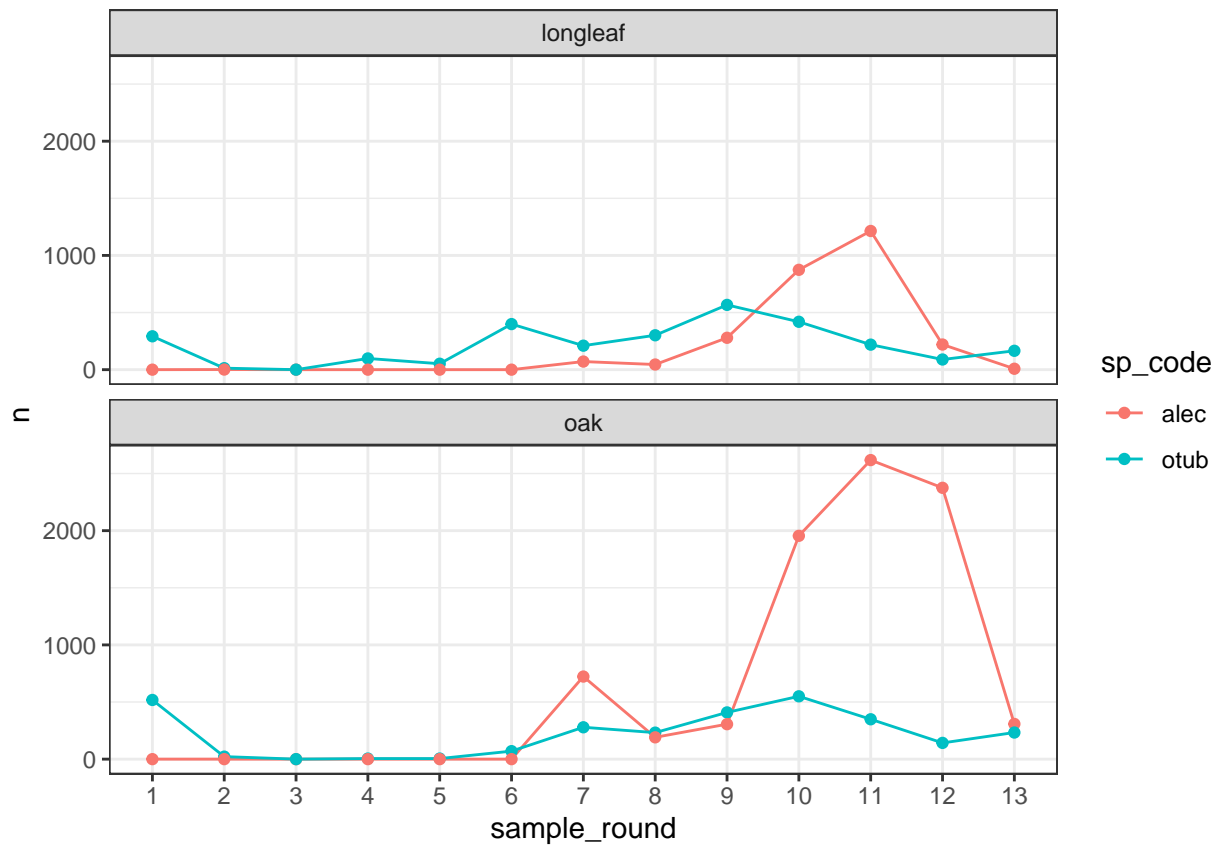

Table 2: total number of beetles sampled each round

sample_round	n
1	1088
2	205
3	89
4	557
5	435
6	1541
7	2574
8	1576
9	2407
10	4854
11	5175
12	3357
13	1153

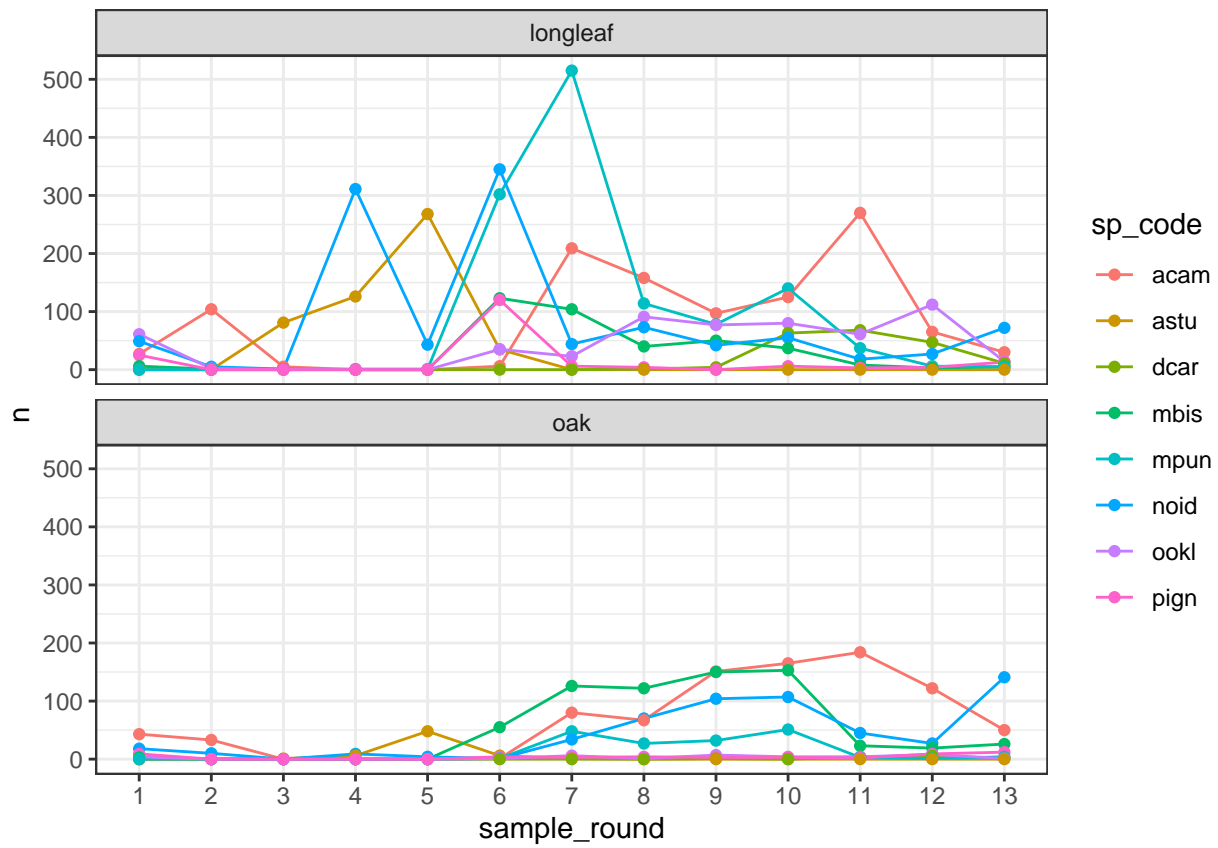

Table 3: Total number of beetles collected by species

sp_code	genus	species	n
alec	ateuchus	lecontei	11188
